Skills Bootcamp:

Introduction to Landscape Construction

Looking to start a career in landscaping, grounds maintenance, or construction? Our Introduction to Landscape Construction Skills Bootcamp is designed to provide you with the practical skills, industry knowledge, and recognised certifications needed to take your first steps into employment within the landscaping and construction sectors.

What will you achieve?

Over two weeks, you will gain:

- » Emergency First Aid at Work Certificate
- » ROLO (Register of Land-based Operatives) Health, Safety and Environmental Awareness Certification
- » Abrasive Wheels Training
- » Practical Labouring Skills and Knowledge
- » Introduction to Bricklaying Techniques
- » Introduction to Laying Paving Slabs
- » Employability and Workplace Skills

Who is the Bootcamp for?

This Bootcamp is ideal for:

- » Individuals looking to start a career in landscaping, construction, or groundworks
- » Jobseekers looking to gain practical skills and industry-recognised qualifications
- » Career changers seeking opportunities in the land-based sector
- » Self-employed individuals looking to expand their services and business opportunities
- » Employees looking to develop new skills and progress their careers

No previous experience is required.

Funding and costs

Applicants must be aged 19 or over and meet the Skills Bootcamp eligibility criteria. Additional local funding requirements may apply.

Unemployed?

Access this training free of charge and continue to claim eligible benefits whilst studying.

Employed?

If your employer sponsors your place on the Bootcamp, eligible SME employers will only be required to contribute 10% (£450) towards the training cost, with the remaining funding provided through the Skills Bootcamp programme.

Self-Employed?

Develop new skills, expand your services, increase your earning potential, and access new business opportunities through fully funded training.
